

MICRO PERFORATED FILMS

PERF-O-FILM®

MICRO PERFORATED FILMS – SPECIAL PACKAGING FOR CRUSTY BREAD

- 100% polypropylene
- Super clear and high gloss
- 160 holes per square inch
- Permits controlled moisture emission
- Ideal for "Old World" crusty bread and rolls

"PERF-O-FILM " is a polypropylene film combining basic strength and clarity with a unique film construction that features carefully uniform perforations. The film offers the added packaging dimension of permitting baked goods that can benefit by "breathing" to do just that- breathe. It permits controlled moisture emission while keeping products neatly packaged, highly visible & appealing...and protected. Perforated sparkling clear bags of "PERF-O-FILM" are ideal for packaging, protecting and merchandising "Old World" crusty bread and rolls.

- Keeps products protected, highly visible
- 1,000 per case / wicketed 5" posts / 250 per wicket
